COVER STORY

RE-IMAGINING THE BUDDHA

The Buddha can be re-imagined in ways that speak our own cultural language and re-vivify our imaginative life

Features

2 **An Eye for a Storm**

Roy Exley investigates Jeanette Kerr painter of the elements at their most wild and powerful as found on the Shetland coast

8 **Writer of the Wild**

Dhivan and Ratnagarbha interview Robert Macfarlane author of *The Wild Places*, & one of England's most distinguished writers on nature and landscape

18 **Urban Odyssey, an Introduction to Psychogeography**

Ratnagarbha introduces the art of mindful urban exploration – covers some of the best known practitioners including Guy Debord, Baudelaire and Iain Sinclair

24 **Conscience and consciousness**

Photographer Joakim Eneroth uses his skills to express the fleeting but ethically critical nature of mental states

39 **Panic in the Asphalt Jungle**

Ed Piercy enters the city on celluloid

54 **Poets Go East**

Interviews with well known poets at the London Buddhist Centre

58 **Real Flowers**

Sarah Ryan introduces an open-air eco-festival with a difference: Buddhafield
