

Sow an act...reap a habit; Sow a habit...reap a character; Sow a character...reap a destiny

Relativity applies to physics, not ethics.
(Einstein)

The most important human endeavor is the striving for morality in our actions. Our inner balance and even our very existence depend on it. Only morality in our actions can give beauty and dignity to life.
(Charles Dickens)

To deny the freedom of the will is to make morality impossible.
(James Anthony Froude)

Men are more accountable for their motives, than for anything else; and primarily, morality consists in the motives, that is in the affections.
(Archibald Alexander)

Compassion is the basis of all morality.
(Arthur Schopenhauer)

The ideals which have always shone before me and filled me with the joy of living are goodness, beauty, and truth. To make a goal of comfort or happiness has never appealed to me; a system of ethics built on this basis would be sufficient only for a herd of cattle.
(Albert Einstein)
