

Various information from the Zoom Chat during the meeting on 2 July 2020

Booking Systems:

- Eventbrite: <https://www.eventbrite.com/>
- Google Forms: <https://www.google.com/forms/about/>
- Zoom has a simple system of registration if you are using zoom and not taking money
 - <https://support.zoom.us/hc/en-us/articles/211579443-Registration-for-Meetings>
- Brixton will be using ticket tailor (<https://www.tickettailor.com/>) for our class bookings, we already use it for retreats and courses. They are fairly simple, and cost effective (free or just registrations, and it has a feature of recurring events so you don't need to set it up each week.

Technical equipment

- Rode <http://en.rode.com/> make excellent clip-on lapel (lavalier) microphones for use with I-phones and computers.
- Zoom plugin:
- <https://obsproject.com/forum/resources/obs-virtualcam.539/>
- Editing software kdenlive. <https://kdenlive.org/en/> There's a bit of a small learning curve but it's robust and easy enough to pick up
